

2024 Bellefonte Victorian Christmas Sponsorship

The Bellefonte Victorian Christmas event will be held in downtown Bellefonte on the weekend of December 13-15, 2024. Although it is several months away, we are already planning next year's event.

Each year this event brings a unique holiday experience for residents and visitors both locally and abroad. The attractions of the event draw people to the town for holiday entertainment, unique shopping opportunities, fun food selections, and an old-fashioned Christmas experience.

Would you and your business or organization like to be a special part of this event by becoming a sponsor and helping fund the expenses for putting together this event? There are several levels of sponsorship available, and each level includes actions on our part that will help showcase your business's support of the event and your involvement in the community. We believe these actions will expose your business to new customers and reinforce the positive relationship you already have with your existing customers and the community.

Please refer to the attached sponsorship matrix for our commitments for each level of support. Of course, if you have a specific request, we would be glad to consider and help make your financial support the most valuable it can be for your business.

Please contact us at 717-891-0158 or email at christmasinbellefonte@gmail.com to discuss your involvement further or if you have questions. We are looking for commitments no later than June 30, 2024.

Thanks for your consideration in this opportunity. We know that there are many similar types of inquiries that reach your business, but perhaps this event strikes a connection that you would find mutually beneficial.

Sincerely,
Dave Provan & Phil Breidenbaugh, Chairpersons
